Committee Notes

1. Rule 47 is a new rule consisting of portions of the substance of former CR-12, renumbered as CR- 47 to conform more closely to the organizational structure of the Federal Rules of Criminal Procedure and to make it clear that the requirements apply to all motions and responses and not only pretrial motions and responses. These changes are intended to be stylistic only, except as noted below.
2. The rule requires the submission of a proposed order with motions and responses.
